

Hello,

Welcome to the 50th edition of our 211 newsletter, where we share information on 211 services and benefits, funding updates, and opportunities for you to become an advocate for 211.

DuPage County Launches 211

Did you hear the news? Our 211 network is growing! 211 services in DuPage County officially launched on November 15, 2022, which means another 924,000 people have access to 211 in Illinois. Now 211 can help people in DuPage County get connected to vital resources and support, such as mental health and addiction services, help paying bills, finding food, and much more.

Please join us in celebrating our colleagues in DuPage County!

Your Mental Health Matters

The holidays often come with lots of mixed emotions. If you or a loved one is struggling, know that you are not alone. 211 is here to help.

If you or someone you love is looking for information, support or access to mental health resources, call 211 or text your zip code to 898211 to connect with a caring person who can help guide you. 211 is available 24/7 with English and Spanish-speaking support and interpretation to more than 150 languages.

If you or someone you know is struggling with thoughts of suicide or experiencing a mental health or substance use crisis, call or text 988 or chat 988lifeline.org to reach a trained crisis counselor, 24/7. Help is here. Talk to someone.

211 and 988 conversations are completely confidential.

Always call 911 first if you or someone you love is experiencing a life-threatening medical emergency or may be a danger to someone else.

Partners, please help share our **mental health social media campaign** developed in collaboration with the Lake County Health Department and Community Health Center by accessing the **211 Toolkit**.

211 Caller Success Story

Hearing a real caller story can make all the difference in understanding how 211 is an invaluable service for our community. Here's a recent story featuring Angel Roman, Director of Programs at Boys & Girls Club of Lake County, talking about how 211 made a difficult and emotional situation easier for a local youth and family in crisis.
